

Evoke Restorative Medicine Accessibility Statement

Updated: January 2022.

General

Evoke Restorative Medicine strives to ensure that its services are accessible to people with disabilities. Evoke Restorative Medicine has invested a significant amount of resources to help ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that website accessibility efforts assist all users and that every person has the right to live with dignity, equality, comfort and independence.

Disclaimer

Evoke Restorative Medicine continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities. In an ongoing effort to continually improve and remediate accessibility issues, we also regularly scan www.evokerestorativemedicine.com with an accessibility scanner (Chrome extension Lighthouse and/or Useway.org) to identify and fix every possible accessibility barrier on our site. Despite our efforts to make all pages and content on www.evokerestorativemedicine.com fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.
